Reference: Year End Report (7/1/95-12/31/95)

Dear Mr. Williams:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-The totals listed on Lines 11(a)(i) and 11(a)(ii), Column B of the Detailed Summary Page appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. When an individual's aggregate exceeds the \$200 threshold, the amount should not be deducted from the Column B figure for Line 11(a)(ii). Please amend your report and any subsequent reports that may be affected by this correction.

-Line 21(a) of the Detailed Summary Page should only be used to report the federal and non-federal shares of allocable activities. If your committee has only one account, the total operating expenditures (administrative expenses) should be reported on Line 21(b). Please amend your report to confirm the nature of your expenditures and to provide the total on the appropriate line.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on
